## RECREATIONAL THERAPY

Therapeutic recreation assists in the improvement of emotional, cognitive, physical, and social well-being. Unless otherwise noted, these classes are intended for those with a physical disability or special needs.

### GYMNASTICS

**Mondays**  
 5:30-6:15 PM - Beginners  
 6:15-7:00 PM - Advanced

Gymnastics classes emphasize flexibility, gross motor skills, balance, strength, coordination, and social skills. The focus is on teaching skills in small increments and building one skill on another. This allows children to enjoy achieving small goals leading to improvement of their physical and social skills as well as their self-confidence. Advanced class trains for the Special Olympics competition, but competing is not a requirement.

Instructor: Maddy Smith

### CHEERLEADING

**Tuesdays**  
 6:00-7:00 PM

This class focuses on proper warm-up and stretch techniques, dance, cheer, and basic stunting. It is great for beginners with no previous cheerleading experience. We will build confidence and stay fit, all while having fun! The squad will learn a routine to perform at games, events, and Special Olympic competitions.

Instructor: Kristie Hershner

### ART & EXPLORATION

**Wednesdays**  
 4:30-5:15 PM

Art & Exploration not only encourages creative thinking and imagination, but helps individuals express their feelings while building self-esteem. This class will strengthen hand-eye coordination, fine motor skills, and social skills. The focus is to develop these skills while building, painting, and designing items that can be enjoyed at home. Attendance at each class is very important to ensure participants stay on track with their craft.

\$20 for craft supplies is due upon registration

Instructor: Jenny Brochu

### TAE KWON DO

**Thursdays**  
 6:30-7:15 PM Recommended for beginners and white belts  
 7:15-8:00 PM Recommended for yellow belts and above

This 45 minute class is open to beginners and all levels of experience and will introduce proper stretching, warm-ups, and Tae Kwon Do forms. Participants learn and refine their skills in kicking, punching, blocking, and one step techniques. Classes change as students learn and adapt to new challenges. Presented in association with World Class Taekwondo!

\*Skill level placement is at parent and instructor discretion

Instructor: Suresh Young Lalla

## GROUP FITNESS

The following classes are open to everyone, including those with or without disabilities. See descriptions for age restrictions.

### ZUMBA

**Mondays 7:15-8:00 PM**

A class designed for everybody! Each Zumba® class is designed to bring people together to sweat it out. We take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. Zumba is a total workout combining all elements of fitness - cardio, conditioning, balance, and flexibility!

Instructor: Isaac

### STRETCH & TONE

**Tuesdays**  
 7:15-8:00 PM

Looking for better strength and flexibility? In this class you'll tone your tum, legs and arms, working your muscles to move better, bend more easily and reach higher.

Instructor: Megan Craycraft

### CHAIR YOGA

**Thursdays 10:45-11:30 AM**

Yoga focuses on developing core strength, toning muscles, increasing flexibility, and reducing stress. Yoga can be done seated on the floor, on a chair, or by using a chair for support. This class is appropriate for adult students who simply prefer to move at a slower pace.

Instructor: Megan Craycraft
