

The Central Florida Dreamplex is a center for fitness and recreation open to everyone but specifically designed for families with special needs. Our facility blends alternative therapy, adaptive sports, recreational activities, and group fitness classes for the whole family into one location to serve your wellness needs.

RECREATIONAL THERAPY

Therapeutic recreation assists in the improvement of emotional, cognitive, physical, and social well-being. Unless otherwise noted, these classes are intended for those with a physical disability or special needs.

BALLET

Tuesdays
4:00-4:45 PM

This class introduces students to the basics of ballet and hip hop. Class begins with a warm up and stretching then proceeds to instruction of rhythmic movements, basic choreography and across the floor exercises to promote strength, balance, and memory. Age appropriate, fun music and the use of props make the class an exciting and challenging time for young students. Those students with limited mobility will need a caregiver to assist during some exercises.
