ABOUT US

DREAMPLEX ORLANDO MAGIC DREAMERS BASKETBALL TEAM

MISSION STATEMENT

Our faith-based mission drives us to include all individuals, regardless of ability, in sports, recreation, therapy, education, and employment, fostering a community of acceptance and support.

HISTORY

Dreamplex's efforts to establish adaptive sports opportunities in 2019 included the start of wheelchair basketball activities. Initially, a series of clinics were offered in the Orlando area to help children with disabilities learn the game of wheelchair basketball, enhance their skills, and have fun. Since 2022, Dreamplex has been fortunate to work with Correy Rossi who actively plays on Team USA's wheelchair basketball team. In 2023, our youth were able to practice most weeks at Saturday morning clinics to gain experience, participate in drills, and scrimmage with one another. Dreamplex also encouraged collaboration with the Orlando Magic Wheels adult team and the OCPS Wheelcats team so that our players could practice more. In September 2023, a group of youth consistently attending practices formed the Orlando Magic Dreamers.

OUR STORY

In 2009, pediatric therapists serving Central Florida recognized children and adults with disabilities were being left on the sidelines. Motivated by their faith, they dedicated their lives to creating a more inclusive community. In 2015, The Central Florida Dreamplex opened its doors, turning dreams into reality for extraordinary people with disabilities and their families.

TEAM

The Orlando Magic Dreamers was formed as a result of collaboration between coaches, professional wheelchair basketball teams, mentors, and parents. As the first and only competitive youth NWBA wheelchair basketball team in Central Florida, the team travels in and out of state to compete with other teams. In just their first year as a registered team, the Orlando Magic Dreamers placed 21st out of 43 junior prep teams.
