# ABOUT US

## DREAMPLEX DRAGONS POWER SOCCER TEAM

### MISSION STATEMENT

Our faith-based mission drives us to include all individuals, regardless of ability, in sports, recreation, therapy, education, and employment, fostering a community of acceptance and support.

### TEAM

Dreamplex has offered its power soccer program to help meet unique needs within the disability community. For individuals who have more weakness in their upper body, power soccer gives these individuals an opportunity to engage in a fun sport with a motorized chair. This sport is popular; however, we lack an adequate number of chairs specifically designed for it, and the cost of these chairs makes purchasing them without additional funding incredibly difficult.

### OUR IMPACT

- 15** *Current total participants with disabilities*
- 10** *Projected # of NEW participants*
- 3** *Projected # of instructors/trainers*
- 5** *Projected # of volunteers*
- 100** *Total People Impacted (athletes, staff, volunteers, instructors, family and friends)*
- 1** *Projected # of Program and Events*
  - A series of practices where participants may take part in power soccer games

### OUR STORY

In 2009, pediatric therapists serving Central Florida recognized children and adults with disabilities were being left on the sidelines. Motivated by their faith, they dedicated their lives to creating a more inclusive community. In 2015, The Central Florida Dreamplex opened its doors, turning dreams into reality for extraordinary people with disabilities and their families.

### FACTS

Power Soccer chairs are very costly but necessary for athletes to participate in the sport. Funding a minimum of three chairs by the end of next will help Dreamplex offer more opportunities to a unique population of individuals with physical disabilities that may limit them from playing other adaptive sports. This initiative aims to support our clients' progression to competitive teams and to welcome new players into the sport.
