ABOUT US

THE FRIENDSHIP PLACE CAFÉ

THE FRIENDSHIP PLACE MISSION

The mission of Friendship Place is to share the love of God with every person we meet. To provide a place where each person is loved not for what they can do, or what they have and what they can give, but where they are loved just because of who they are... a child of God.

A VISION FOR THE FUTURE

The Friendship Place Café is designed to be a dynamic environment where our clients can gain valuable skills and experience in a real-world setting. From taking orders and serving customers to managing inventory and handling transactions, every aspect of running the café will be a hands-on learning opportunity. This practical experience is invaluable, giving our clients the confidence and capabilities they need to succeed in the broader employment community.

OPPORTUNITIES FOR GROWTH

Our clients will receive comprehensive training tailored to their individual needs and abilities. This training includes customer service, food safety, cash handling, teamwork, and problem-solving skills. By working in the café, they will also develop important social and communication skills, fostering a sense of independence and self-worth.

BUILDING A BRIGHTER FUTURE

The Friendship Place Café is more than just a training ground; it's a stepping-stone to meaningful employment. Our clients will have the chance to connect with local businesses and potential employers, opening doors to future job opportunities. By showcasing their abilities and dedication in the café, our clients can demonstrate their readiness for the workforce, breaking down barriers and challenging stereotypes.

THE FRIENDSHIP PLACE STORY

At Central Florida Dreamplex, we believe in creating opportunities that empower our clients to reach their fullest potential. Our latest initiative, The Friendship Place Café, is more than just a place to enjoy a cup of coffee—it's a vibrant, inclusive space where our kiddos and clients will learn, grow, and thrive.
