

Dear Dreamplex Families,

We have a fun, family-friendly event coming up on May 15th at Victory Pointe Park in Clermont, Florida. It's called Illuminate for Inclusion! There will be an outdoor concert with food trucks and glow-in-the-dark fun to celebrate our Dreamplex community and the inclusive activities and programs that The Central Florida Dreamplex offers.

This event gives your family the option of raising funds, through creating a team of supporters, that can be used in your personal account at the Dreamplex to cover membership costs, program fees, and therapies/equipment that your insurance may not be covering.

When you raise \$250, \$75 dollars can be ear-marked to your personal account. \$500 raised will bring the amount to \$200 in your account, and 40% of anything over \$500 raised will go back into your account.

Some of your family, friends, and supporters may just want to donate and not necessarily attend the event...that's ok too!

If you need help setting up a team or how to manage your team, e-mail us at info@cfdreamplex.com
