State of Florida law requires those children between the ages of 5 and 16 attend school. Regular attendance and punctuality are an essential element to good progress in school.

**McKay:** Private schools must verify the continued attendance of and regular and direct contact with each McKay scholarship student in order to receive scholarship payment.

When a scholarship student attends multiple private schools or a private school and the public school in the same payment period, the right to retain the scholarship payment is given to the first private school the student attends for ten (10) or more school days during that payment period, if all other requirements are met.

**Gardiner:** In order to participate and continue receiving the Gardiner Scholarship, a parent must affirm that their child is enrolled in a program that meets the regular school attendance requirements in law.

Parents/guardians must notify the school office of a child's absence at 352-394-0212 ext.300 prior to 8:30a.m. As a safety procedure, if a child is absent and the parents have not called, the school will attempt to contact the parents. When a student is absent, the school must receive communication from parent/guardian explaining the reason for absence either voice message or electronic notification. The communication must include 1. The child's full name, 2. Dates of absence, and 3. The nature of illness or reason for absence. **A written excuse is necessary to have on file to verify the legal absence on the child's return.**

1. **If a student is absent more than 10 times, the parents and the student will be required to meet with the director and create an attendance contract.**
2. **Tardiness** - Students not present for morning meeting at 8:30 a.m. are considered tardy. **Parents are required to walk their student to the office and sign the student in.** Parents are encouraged to have their children at school on time, as this is a way to reinforce the importance of punctuality. Tardiness has an adverse effect on the progress of the student who is late and disrupts the learning environment in the classroom.
  - a) **If a student reports to school after 10:30 a.m., without a doctor note the student is marked absent for the day.**
  - b) **If a student leaves school **before** 10:30 a.m. and **does not** return that day, the student is marked absent for the day.**

- c) If a student leaves school **after** 10:30 a.m. and does not return that day, this student is marked absent for a half day.
- d) If a student is tardy more than **10 times**, the parents and student will be required to meet with the principal and create an attendance contract.
3. **Doctor and Dental Appointments** require a written note for dismissal. Inform the school should the nature of the problem be important for the student health record. Parents/Guardians are urged to schedule routine appointments **AFTER SCHOOL HOURS** so as not to disrupt the instructional program.
4. **Early Dismissals**
- Early dismissals will be granted for emergencies, and medical or dental appointments that cannot be scheduled outside of school hours.
  - Appointments should be scheduled before or after school whenever possible. If time permits, students are expected to return to school from medical and dental appointments and must check in at the school office.
  - Some early dismissals will count as a half day absence.
  - Requests for early dismissal are to be made verbally or in writing. Any request, except in an emergency, should be made via email [hbermudez@cfldreamplex.com](mailto:hbermudez@cfldreamplex.com) or call the office 352-394-0212 ext. 300
  - Students must be signed out at the school office.

Concerns should be immediately reported directly to the school/center administrator. All credible allegations will be addressed accordingly.

**VI. DEPARTMENT OF CHILDREN AND FAMILIES**

**IX. DREAMPLEX THERAPEUTIC SCHOOL ANTI-BULLYING POLICY**

Dreamplex Therapeutic School is committed to promoting a safe, healthy, caring, and respectful learning environment for all its students. DTS is committed to protecting its students from bullying and/or harassment. As such bullying and/or harassment is strictly prohibited, it will not be tolerated and shall be just cause for disciplinary action. Therefore, this anti-bullying policy

prohibits any unwelcome physical, social, electronic, nonverbal, verbal, or written conduct directed at a student by another student that has the effect of:

- A. Physically, emotionally, or mentally, harming a student.
- B. Damaging, exhorting, or taking a student's personal property.
- C. Placing a student in reasonable fear of emotional or mental harm.
- D. Placing a student in reasonable fear of damage to or loss of personal property; or
- E. Creating an intimidating or hostile environment that substantially interferes with a student's educational opportunities; or
- F. Disrupting the orderly operation of the school.

### **Personal Responsibility**

Dreamplex Therapeutic school encourages school employees, students, and parents with a personal online presence, to be mindful of the information they post. Your online behavior should reflect the same morals, professional and personal standards of honesty, respect and consideration that you use face-to-face and in work-related settings. Please note, that even if you delete personal information, it still may be stored on the website's server for a longer period. Information that is marked "private" rarely is private on the Internet. It is very easy for "friends" to copy and paste information about you and send it or forward it to others, for example. There is no realistic expectation of privacy in social media, or on the World Wide Web.

The lines between public and private, personal and professional are blurred in the digital world. By identifying yourself as a DTS employee, student, or parent online, you are now connected to colleagues, students, parents and the school community. Use these connections wisely and well. It is inappropriate to substantially disrupt DTS operations using e-mail, text messaging, instant messaging or social networking sites to disparagingly or disrespectfully discuss school-related activities. This reflects poorly on all parties involved.

Teachers, students, and parents are reminded that regardless of where their posting originates, any text, photographs or videos they put on these sites or similar sites which would be disrupting and derogatory to the school or the school community, or threaten, demean, or bully students or faculty, or parents is prohibited.

It is your duty and responsibility to familiarize yourself with the appropriate security settings for any social media (personal or professional) that you may use. Be sure that the settings are such that any personal content may only be viewed by your intended audience. Be aware that, even if your privacy settings are set properly, it is still possible for anyone who you've allowed to see your profile to copy and paste text and send it to someone else. It is also easy for others to "tag" or identify you in photos that they publish with or without your knowledge and permission. Similarly, if you enable settings such as Facebook's ability to allow "friends of friends" to view your content, it is extremely likely that unintended viewers will have access to pictures and other personal content.

### **CLASSROOM AND VISITS**

As an educational institution committed to providing our students with the best educational environment, we strive to minimize interruptions and distractions.

**Parents and visitors are not permitted to go directly to a classroom** to deliver lunches, messages, a forgotten assignment, an article of clothing or any other reason. Parents and visitors

are required to drop off any deliveries at the school office, and the office will make all deliveries to students.

### **VISITORS AND PARENTS ON CAMPUS**

All visitors, parents and guests **must** check in and out at the school office whenever they are on campus. Photo ID's must be presented. **Parents and visitors are not permitted to go anywhere on campus without signing in at the office first.**

### **COMMUNICATION**

DTS is committed to keeping open lines of communication with its families. Many instruments are in place to enable parents to know what is going on at DTS and they are as follows:

- Parent Teacher Conferences
- Web Site- [www.dreamplexts.org](http://www.dreamplexts.org)
- DTS Facebook page
- Orientations
- Handbooks – are available for viewing on the DTS website
- E-mail & voicemail for each faculty and staff member
  - [Hbermudez@cfdreamplex.com](mailto:Hbermudez@cfdreamplex.com)
  - [CShafer@cfdreamplex.com](mailto:CShafer@cfdreamplex.com)
  - [DVasquez@cfdreamplex.com](mailto:DVasquez@cfdreamplex.com)

**Classroom Communication** - any fliers, notices, or other communication to be sent home with the students or given out to parents or the public **must** be approved by the school director.

### **DISASTER AND LOCK-DOWN DRILLS**

Fire, Lock Down, and Severe Weather drills will be held regularly during the school year. Instructions will be given at the beginning of the school year, and instructions will also be posted in each room. Students should recognize the seriousness of the drills and be prepared for real life situations.

In case a disaster occurs during a regular school day, students will be released only to their parents or those listed Emergency Contact Information. Photo identification will be required if someone is not known to school personnel.

It is impossible in a time of disaster to verify telephone requests or a parent's written consent given to a friend, neighbor, or relative to pick up a student. School personnel cannot undertake the responsibility of releasing students to any adults other than parents or those listed under Emergency Contact Information. Please have a planned procedure established. If you will be out of town, notify the office in writing stating who is authorized to act in your place. The fact that parents will know where their children are, that they are under supervision, and that precautions for their safety are being observed, should help to prevent panic and confusion.

Activation of the fire alarm will immediately notify the fire department. Careless or malicious initiation of a false alarm is an illegal action that could lead to serious injury when evacuating the building. Deliberate offenses will be handled with the utmost severity. The student and his/her family will become financially responsible for fees resulting from a false alarm as well as subjection to possible disciplinary action, which may include expulsion.

### **FIELD & EDUCATIONAL TRIPS**

- Students on disciplinary probation may be excluded from participating.

- Field trip attire will be specified on the field trip notification form.
- All school policies are in effect on all field trips while on or off campus.
- Students who attend field trips must attend school on the day of the trip.

This **Code of Conduct** applies to all parents, guardians, caregivers, volunteers, and visitors who interact with our school. It also applies to all parents, guardians, caregivers, volunteers, and visitors who are present at school and school-sponsored activities, meetings, and/or functions within and outside of school hours. As parents, guardians, caregivers, volunteers, and visitors, there is an expectation of support for the Vision and Mission of Dreamplex Therapeutic School.
