You can Change A Life for a Student, Like Kamilla

Name: Kamilla

Age: 10

Favorite Subject: Art & Science

Disability: Microcephaly

Kamilla's story is one of resilience, as she faces the effects of microcephaly, a condition that went undetected before birth. From the moment she entered the world, Kamilla has been surrounded by therapies and interventions aimed at maximizing her potential. It wasn't until she found the Dreamplex that Kamilla truly began to flourish.

About Dreamplex Therapeutic School

Facts:

- Dreamplex Therapeutic School opened January 2018
- Serving over 30 students with disabilities
- Some disabilities of the students: Autism, Down Syndrome, Cerebral Palsy, Learning Disabilities, Brain Injury, ADD, ADHD, Fetal Alcohol Syndrome, and Spina Bifida
- Each student receives at least 2 therapies
- Collaboration between parents, teachers, assistants, therapists, and school administrators help ensure a positive learning experience for all students

Curriculum:

We pride ourselves in implementing a Functional-Academic curriculum. We address each student as a whole, allowing them to build the skills required to reach their fullest potential and preparing them to be participants in their natural environment.

- Reading & Writing
- Communication & Social Skills
